Touched the Pinnacle of Hard Work in Election Campaigning

After nearly 90 days of extremely exhausting election campaigning, BJP candidate Mr. Praveen Khandelwal from Chandni Chowk spent the entire day today with his family to alleviate his fatigue. He spent the day playing with his three daughters' children. At home, Mr. Khandelwal's wife, Mrs. Kanak, and his mother, Mrs. Suryaprabha, also engaged in extensive family conversations with him.

Mr. Khandelwal, appearing happy to spend time with his family after a long period, said that they touched the pinnacle of hard work during the intensive 90-day campaign. All the workers put in tremendous effort to ensure a record victory for the BJP in Chandni Chowk, so now it is only fair to spend time with the family. He mentioned that during the campaign, he would leave home every day at 6 AM and return only after midnight, and then sit with the core team to review the day's campaign and plan the strategy for the next day. In this manner, he could not get more than 2 hours of sleep on any given day over the 90 days. Early in the campaign, Mr. Khandelwal suffered a fracture in his leg and also injured his hand, but due to the enthusiasm and energy of the workers, he did not stop his election outreach or cancel any program on any day. This is why he was able to connect with people in all parts of the constituency over the 90 days.
