Air Strike on Terror – Gratitude to India's Armed Forces

The entire nation is proud of the precise and decisive air strike carried out by the Indian Air Force on terrorist hideouts located in Pakistan. This strike is not only a symbol of our firm policy against terrorism but also a clear message that India will no longer remain silent — it will respond with force, said BJP MP and National Secretary General of the Confederation of All India Traders (CAIT), Shri Praveen Khandelwal.

Shri Khandelwal stated that the trading community of India salutes the courage, valor, and strategic skill of the Indian Armed Forces — especially the Air Force — who executed this complex operation with perfect planning and precision.

More than 9 crore traders across the country not only salute the indomitable bravery and courage of the three wings of the armed forces under the leadership of Prime Minister Shri Narendra Modi, but also extend full and open support to every step taken by the Prime Minister.

He further added that under the capable, visionary, and decisive leadership of Prime Minister Shri Narendra Modi, India has made it clear that those who support terrorism will not be spared. This strategic operation reflects both the policy and intent of a New India.

He said this air strike is not just a military success but a declaration of India's unwavering resolve to protect its sovereignty, security, and national honor.
